## Experience

---

### Codemeg Soft Solutions Pvt. Ltd. / BackEnd Developer

August 2021 - PRESENT, INDORE

I am a two years experienced PHP backend developer specializing in the Laravel framework. With a deep understanding of PHP and its ecosystem, I have successfully developed and maintained complex web applications. Leveraging the power of Laravel, I have built scalable and secure systems that adhere to modern development practices.

---

## Education

---

### Govt H S School, Pipalgone, Khargone / 10th

March 2012 - March 2013, PIPALGONE

Provided me with a valuable educational experience during my 10th-grade studies. This institution played a crucial role in shaping my academic foundation and personal growth.
